

EUROCORR ²⁰₂₅

Invitation to the annual EUROCORR 2025

Stavanger, Norway
7 - 11 September

- Joining forces for fighting corrosion in society

Welcome to Stavanger

In 2025, EUROCORR will take place in Stavanger, Norway, 7 – 11 September.

The congress will take place in Stavanger Forum, one of the largest and modern conference and exhibition areas in Norway, easily accessible by public transport, or within 20-25 minutes walk from city centre.

EUROCORR 2025 will cover all aspects of corrosion science, technology and engineering, under the title «Joining forces for smart and sustainable solutions for fighting corrosion in society». Bringing together corrosion experts from universities, research centres and industries, we believe significant advancements in understanding of corrosion phenomena and progress in corrosion prevention will be obtained during presentations and discussions.

The program will include plenary and keynote lectures, oral and poster presentations in all the areas covered by the EFC working parties with additional topical workshops.

A large exhibition will be held, which will feature the latest developments in corrosion resistant materials, corrosion research, corrosion monitoring, coatings, inhibitors, cathodic protection etc. Social events, including receptions and the conference dinner taking place in the Concert Hall located at the beautiful harbour of Stavanger, will be arranged, as well as a boat cruise to the spectacular Lysefjorden.

Stavanger city, located on the southwest corner of Norway with easy access from Europe and the world, turns 900 years in 2025, and a lot of happenings are going to take place.

We are looking forward to warmly welcoming you in Stavanger for EUROCORR 2025.

Torfinn Havn, Chair of EUROCORR 2025.

Stavanger: The Gateway to Norway's Natural Wonders

We are thrilled to welcome you to Stavanger, a vibrant city on Norway's stunning southwestern coast.

Discover Stavanger

Historic and Cultural Richness: Explore the picturesque streets of Old Stavanger, lined with well-preserved wooden houses, and visit the 12th-century Stavanger Cathedral.

Natural Beauty: Don't miss the iconic Pulpit Rock (Preikestolen) with its panoramic views over the Lysefjord, and for the adventurous, the Kjeragbolten boulder and the Lysefjord offer unforgettable hikes.

Culinary Delights: Savor fresh seafood from the North Sea and indulge in local specialties at acclaimed restaurants. Stavanger's food festivals and vibrant café culture will delight your taste buds.

Cultural Events and Festivals: Experience Stavanger's cultural vibrancy through events like the Stavanger International Festival and other local festivities.

Who are we?

The Norwegian Corrosion Society (NKF) is dedicated to promoting and encouraging interest and engagement in the field of corrosion and corrosion protection.

We achieve this by creating forums and meeting places for professional networking, discussions and conversations for knowledge exchange and experience sharing among our members within the field.

The association is committed to facilitating the exchange of experiences with other associations, committees, and similar organizations working with corrosion and materials science in Norway and internationally, including participation in these activities when necessary.

Thank you for supporting Eurocorr 2025

Make your company visible and attractive for new customers

Young professionals are attending and searching for exciting jobs

Contribute to research work and solving of industrial corrosion issues

Help industry saving costs and reduce impact on environment by using smarter solutions

Support NKF (Norwegian Corrosion Society, which is a non-profit organisation) to continue arranging seminars and presentations

Program

Sunday 7 September

Registration and Exhibition Rig &
Set-Up at Stavanger Forum
Fjord Cruise, see the Pulpit Rock from Lysefjorden
Welcome Reception

Monday 8 September

08:30 - 17:30
Opening day - Plenary and Parallel Sessions at
Stavanger Forum
Exhibition Opening
Medal & Awards Ceremonies, Plenary Lectures,
Young EFC Lecture / Young EFC Meeting

Tuesday 9 September

08:30 - 17:30
Plenary, Parallel and Poster Sessions at Stavanger Forum
Young EFC Lecture
Young EFC Networking, Job Fair, and After Party
Meeting between Member Societies Representatives

Wednesday 10 September

08:30 - 17:30
Plenary, Parallel and Poster Sessions at Stavanger Forum
Congress Dinner at Stavanger Concert Hall

Thursday 11 September

08:30 - 14:30
Last day of Sessions at Stavanger Forum
Closing Remarks
Lectures, Grants, Awards & Prizes

Stavanger Forum & Expo

Stavanger Forum is one of Norway's largest conference and exhibition centers. The centre offers a total of 25 meeting rooms with a capacity of 10 to 1707 persons, and exhibition areas of circa 30 000 m². Stavanger Forum has conducted a number of national and international events. Our biggest fixed event, ONS exhibition and conference, has approximately 60 000 visitors.

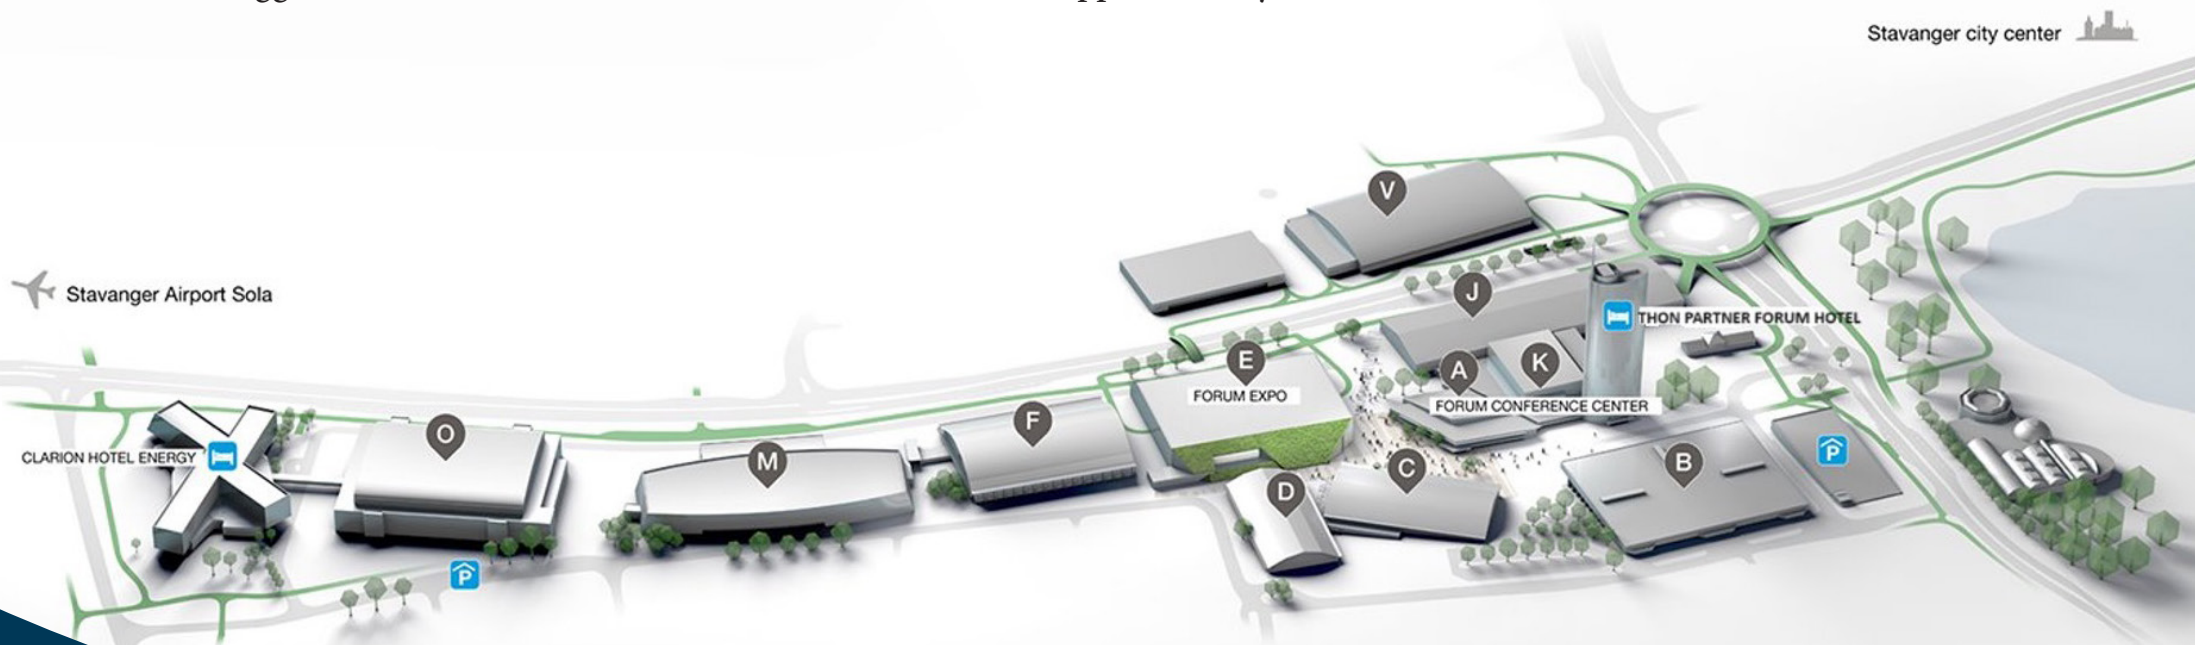

- E Exhibition & Break Room
- A Meeting Rooms for parallell sessions
- K Plenary Meeting Room

Stavanger city center 

 Stavanger Airport Sola

CLARION HOTEL ENERGY 

 THON PARTNER FORUM HOTEL

Floor plan – Forum Expo

Platinum

- 12 m² Premium Location Booth Space
- 2 Full Registration for the Congress
- 4 Exhibition Passes
- Meeting Room for Sessions by Premium Partner and Guests in scheduled spots in the program (max. 50 pax)
- Meeting Room for Client Meetings (max. 6 pax)
- Your linked logo on the conference website
- Your logo on the promotional documents produced for EUROCORR 2025
- 1 full page Advert in the printed Program, A4
- 1 linked Logo in the App
- Logo in the printed Program
- Featured Article in the printed Program

NOK 250 000

(Euro 21 300)

All prices are stated in NOK and excl. VAT.

(Approx. € per August 2024)

The shell booth includes walls, 2 chairs, table and electrical socket.
Custom build is available on request.

Gold

- 12 m² Gold Location Booth Space
- 1 Full Registration for the Congress
- 2 Exhibition Passes
- Your linked logo on the conference website
- 1/2 page Advert inside the printed Program, A4
- Logo in the printed Program

NOK 150 000

(Euro 12 800)

Silver

- 9m² Silver Location Booth Space
- 1 Full Registration for the Congress
- 2 Exhibition Passes
- Your linked logo on the conference website
- Logo in the printed Program

NOK 100 000

(Euro 8 500)

Bronze

- 6m² Bronze Location Booth Space
- 1 Full Registration for the Congress
- 1 Exhibition Pass
- Your linked logo on the conference website
- Logo in the printed Program

NOK 60 000

(Euro 5 000)

Exhibitor

- 6m² Standard booth space
- 9m² Standard booth space
- 12m² Standard booth space
- 1 Exhibition Pass

from NOK 40 000

(Euro 3 400)

All prices are stated in NOK and excl. VAT.
(Approx. € per August 2024)

The shell booth includes walls, 2 chairs, table and electrical socket.
Custom build is available on request.

Other opportunities

Congress Dinner

Wednesday Evening

NOK 75 000

(Euro 6 400)

Opening Ceremony

Monday

NOK 45 000

(Euro 3 800)

Coffee Breaks

Price per break

NOK 15 000

(Euro 1 300)

Badge Lanyards

Provided for all participants.
Materials at own expense.

From NOK 35 000

(Euro 3 000)

Pens

Provided for all participants.
Materials at own expense.

NOK 12 000

(Euro 1 000)

Notepads

Provided for all participants.
Materials at own expense.

NOK 12 000

(Euro 1 000)

Linked Logo in the App

NOK 25 000

(Euro 2 100)

Conference Bags

Provided for all participants.
Materials at own expense.

NOK 50 000

(Euro 4 300)

Inserts to the Conference Bags

Provided for all participants.
Materials at own expense.

NOK 20 000

(Euro 1 700)

Printed Program

Inside full page.
Inside half page.
Back cover full page.

From NOK 15 000

(Euro 1 300)

All prices are stated in NOK
and excl. VAT.

(Approx. € per August 2024)

Topics/Working Parties

WP Topics

WP1 Corrosion and Scale Inhibition
WP3 Corrosion by Hot Gases and Combustion Products
WP4 Nuclear Corrosion
WP5 Environment Sensitive Fracture
WP6 and WP 8 Corrosion Mechanisms, Methods and Modelling
WP7 Corrosion Education
WP9 Marine Corrosion
WP10 Microbial Corrosion
WP11 Corrosion of Steel in Concrete
WP13 Corrosion in Oil & Gas Production
WP14 Coatings
WP15 Corrosion in the Refinery and Petrochemistry Industry
WP16 Cathodic Protection
WP17 Automotive Corrosion

WP18 Tribocorrosion

WP19 Polymers and Advanced Materials

WP20 Corrosion & Corrosion Protection of Drinking Water Systems

WP21 Corrosion of Archaeological and Historical Artefacts

WP22 Corrosion Control in Aerospace

WP23 Corrosion Reliability of Electronics

WP24 CO₂ -Corrosion in Industrial Applications

WP25 Atmospheric Corrosion

WP26 Corrosion in Green & Low Carbon Energy Technologies

EUROCORR 2025 WORKSHOP Fine tuning of capabilities of stainless steels to resist various types of corrosion in marine environments based on newest research

TASK FORCE Task Force on Corrosion of Medical Implants and Devices

Possible Joint Sessions

TF Corrosion of Medical Implants and Devices

Transition to Hydrogen-based energy systems

Corrosion and corrosion protection issues in additive manufacturing

Design and performance of corrosion resistant high entropy alloys and multi-principal element alloys

Certification in corrosion and corrosion protection

Organising Committees

Local Organising Committee

Torfinn Havn, Chair, Norwegian Corrosion Association and Ztrong
Rolf Nyborg, IFE, Institute for Energy Technology
Tor Henning Hemmingsen, University of Stavanger
Nils Olav Ågotnes, Equinor

Anne Guri Sklet, Gyro Conference
Line Løseth, Gyro Conference
Michelle Milas, RegionStavanger

Important Dates

Sponsor and Exhibitor Registration opening: 1 September 2024

Call for Abstracts Online Submission opening: 15 October 2024

Attendee Registration opening: 15 October 2024

Abstract Submission deadline: 17 January 2025

Notification of Acceptance to Authors: April 2025

Deadline for Early Bird Registration fee: 1 June 2025
